

BB-AP107 100ML ACRYLIC PAINT—GREEN

SPECIFICATION

This non-toxic, fast drying water based paint becomes water resistant when dry. Ideal for arts & crafts for use on paper, canvas, card, wood etc, it can be diluted with water to create a water colour effect, or used straight from the tube for an oil paint effect & the colours can be easily mixed. It is easy to clean up with soap & water if required.
