

BB-BBQ225 PORTABLE FOLDING CHARCOAL BBQ GRILL WITH ACCESSORIES

SPECIFICATION

This durable & scratch resistant BBQ grill is manufactured from iron material. It comes with grill supports on each side of the grill to allow an adjustable grill height plus ventilation holes at both ends of the grill to help control air flow & heat distribution. It is easy to assemble & clean with no screws required & the legs rotate & click into place for use then fold easily for storage. It is easy to carry with the side bracket handle making it portable & ideal for outdoor camping, picnics, parties etc. It's great for creating a smoky grilled flavour & smoking meats.
