BBQ Grill

good ventilation

portable &
easy to carry

SPECIFICATION

This durable & scratch resistant BBQ grill is manufactured from iron material & comes with ventilation holes at both ends of the grill to help control air flow & heat distribution. It is easy to assemble & clean with no screws required & the legs rotate & click into place for use then fold easily for storage. It is easy to carry with the side bracket handle making it portable & ideal for outdoor camping, picnics, parties etc. It's great for creating a smoky grilled flavour & smoking meats.

Approx Size: 40 x 27.5 x 19.5cm (open) / 35 x 27.5 x 6cm (folded)
Grill Surface: L33 x W26cm
