

BB-BM300 2PC SILICONE BAKING MAT SET

SPECIFICATION

These non stick & reusable baking mats are manufactured from silicone plus glass fibre cloth material. They can withstand temperatures up to 230°C & are ideal for baking pizza, bread, cookies & cakes with no oil required to achieve excellent results each time. They are also suitable to use as a non slip dough rolling mat & are easy to clean with warm soapy water.

Approx Size: 42 x 29.5cm
