

BB-FA129

RECHARGEABLE PORTABLE NECK FAN

SPECIFICATION

This low noise, bladeless tangle free design neck fan is manufactured with evenly distributed turbo fan blades & air outlets which allow 360° circulating cool air to flow around you. It has an easy push button control & comes with 3 adjustable air speeds of low, medium & high. Easy to charge from the USB charging port, it comes with a built-in 2000mAh lithium-ion rechargeable battery which can provide 2.5-5 hours (approx) of working time on a full charge, depending on air speed chosen. Portable & hands free, it is flexible to adjust & comfortable to wear making it ideal for use when travelling, hiking, cycling & many other activities.

Power: 5 Watt

Input: DC5V/1A max
