

BB-IK098

5W ELECTRONIC INSECT KILLER—WHITE

SPECIFICATION

This easy to use insect killer will attract flies, moths, midges & mosquitoes using ultra violet light to lure them into an electronically charged metal grid, destroying them quickly & hygienically. The dead insects are collected in the screw-in removable tray at the base of the unit. It is powered by household mains & comes complete with fitted plug. Ideal for use in the home, pet areas, food preparation areas, shops & factories etc.
