

BB-WM250 FLAT MOP & BUCKET SET

SPECIFICATION

Manufactured from PP & stainless steel material, this 2-in-1 cleaning & drying mop comes with dual washing & drying compartments complete with drainage holes to drain water away easily. The rotating mop head is perfect for cleaning small hard to reach areas & the 3 section mop handle is ideal for compact storage. It includes 2 microfibre refill mop pads with Velcro & hook fastening which are suitable for use on all flooring types such as tiles, wood, laminate & linoleum.
